Josephine Sibanda (Qualified Oral/Dental Hygienist: Course Presenter

PROFILE

I am an Oral Hygienist with six years' experience in an orthodontic practice. I am very dedicated in my work and therefore treat my patients with quality care and to the best of my ability. I am proficient in the day to day running of an orthodontic practice, administration of side the practice i.e. accounts, reception. I also am very proficient in all aspects of the Oral Hygiene profession, also earned reputation as problem solver in the practice.

I have also had the opportunity to be a guest presenter every year since 2014 presenting to final year Oral Hygiene students on the role of the Hygienist in an orthodontic practice

I have gained experience as a sales representative for Ortho shop, selling mostly orthodontic products.

I have also served on the OHASA (Oral Hygienist Association of South Africa) board Cape Town for two years 2015 – 2016. I am a very ambitious Oral Hygienist interested in research and I like challenges.

EDUCATION

1) University of the Western Cape / 2012, Bachelor of Oral Health Degree (BOH)
2) Solusi Adventist Secondary School / 2002, Ordinary Level

COMPUTER SKILLS

Microsoft Office

Solumed accounting system

EXPERIENCE

2013 – till present

Oral Hygienist at Braceland Orthodontic Centre

- Performed meticulously duties of an oral hygienist in the practice
- Utilized strong critical thinking skills to respond efficiently and promptly to patients in my care
- Motivated patients in to complying with treatment e.g. good oral hygiene , wearing of elastics – Implemented a Show, Tell and Do system for brushing and elastic wearing that improved compliance with most patients in the practice.
- Training new graduates, guiding and evaluating performance
- Assisting with all admin duties and billings

2015

Worked as a locum for Dr Van Der Ross, performing all duties of an Oral Hygienist in a general dental practice

Established good rapport with patients

Promise by Graduands in Dentistry at the University of the Western Cape

On receiving my degree in Oral Health, I, JOSEPHINE SIBANDA herewith solemnly promise: to benefit my patients to the best of my ability and my knowledge and never to do anything which may be deleterious to them; never to divulge whatever I may see or hear in the exercise of my profession which ought not to be made known and, in so doing, to protect the esteem and image of my profession as I would my life; to revere my mentors at all times. Should I keep this promise faithfully, may I then at all times, in the practise of my profession and in the course of my life, be worthy of the respect of my fellow-men.

Signed on the 27th day of November 2012.

CERTIFICATE
OF PARTICIPATION

This hereby acknowledges that

Josephine Sibanda

has successfully participated at iTOP Introductory.

iTOP is a professionally tutored training and motivation programme.
Empowered and monitored by dental professionals, it enables a trained and regularly recalled patient to achieve and maintain lifelong tooth preservation.

iTOP Introductory Level (1 day): Enables dental professionals to give interested people theoretical instructions and practical introduction in prevention best practice and enables them to join iTOP Advanced Level.
iTOP Advanced Level (2 days): In combination with iTOP Introductory it enables dental professionals to give interested people theoretical instructions and practical Training to achieve exceptional compliance.
iTOP Teacher Level (4-5 days): Combined with iTOP Introductory and iTOP Advanced, enables dental professionals to give patients theoretical instructions and practical training on a high level to achieve lifelong tooth preservation.

iTOP TOP Level: Combined with iTOP Introductory, iTOP Advanced, iTOP Teacher and iTOP Recall, enables dental professionals to give patients and other dental professionals theoretical instructions and practical training as a certified iTOP instructor in accordance with the licence agreement.
iTOP Recall is an annual, one-day refresher course for iTOP instructors that extends the validity of iTOP knowledge level by a further year.
